

Our Company

Pocket Cash ATMs, has been in business since 1995 and operates a regional network of ATMs that spans from Indianapolis, Indiana to Lexington, Kentucky and many points in between. Our customers include large international corporations, such as Papa Johns Inc. and smaller local businesses, such as The Phoenix Hill Tavern in Louisville, Kentucky.

Pocket Cash ATMs provide businesses with an opportunity to increase monthly revenues at no cost, with the added benefit of payments to the site owner under flexible profit sharing arrangements. More importantly, we make this process very simple. We are available 24-hours-a-day, 7-days-a-week to help you and/or your customers if questions should arise.

Pocket Cash ATMs is committed to relationship building and customer service. These principles are the foundation of our business.

Business Services

Pocket Cash ATMs offers 4 placement options for businesses.

■ **Option #1: Complete Outsourcing**

Pocket Cash ATMs installs and maintains its own ATM at your place of business. Under this option, you incur no costs associated with the ATM and Pocket Cash pays you up to \$1 per cash transaction.

■ **Option #2: Semi-Outsourcing**

Pocket Cash ATMs installs and programs its own ATM at its own cost. You fill the ATM with your funds and provide a phone line. Under this option, Pocket Cash ATMs pays you half the surcharge amount per cash transaction.

■ **Option #3: In-House**

You purchase an ATM from Pocket Cash with prices ranging from \$1500 to \$5000. We will install and program the ATM at no cost. Additionally, Pocket Cash ATMs will assist you in setting up necessary checking accounts, and provide processing services to you. You can retain up to the entire surcharge for all cash dispensing transactions.

■ **Option #4: Customize**

Let us come in and prepare a custom ATM plan that will work for you.
